**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a Sonic residential fiber customer. Sonic counts on the UNE infrastructure to provide me my fiber internet connection. When I looked for a place to stay at in San Francisco, I explicitly searched for a home that had access to fiber Internet. Other providers (like At&t, for instance) provide me very low quality and slow internet access. Fiber internet has made my life so much better. I can watch Netflix and other streaming video at home, I can easily continue working (I'm a programmer) at home, and the price makes it quite affordable.

Please preserve my rights as a consumer.

Roshan George
